

## **Ashes and dust**

It doesn't matter... how rich you are  
No, it doesn't matter... how sexy you think you are

I don't care how smart you think you are  
Or how much money is your pocket  
Don't give a damn about your fancy car  
In the afterlife it doesn't matter

It's so cool the likes you got today  
Your lifestyle is super exciting  
You look so great in that fancy dress  
Who will care when you're all ashes

Any way in the end  
Mr. Time will make us equal  
I don't care what you say  
Mr. Time will make us equal!!  
Ashes and dust!!

I'm not impressed by your exclusive life  
Snob friends and beautiful houses  
Yes, it's true you've got a perfect wife  
I'm glad to know you're both so happy

Now me let me tell you what I think my friend  
There's just one life so do not waste it  
Showing off won't make you feel alive

Who will care when you're all ashes

Any way in the end

Mr. Time will make us equal

I don't care what you say

Mr. Time will make us equal!!

Ashes and dust!!

No one will remember your expensive car

When you're ashes and dust!!

No one will remember all the things you had

When you're ashes and dust!!!

People will remember how you made them feel

When you're ashes and dust!!!

Now it's up to you how to live your life

We'll be ashes and dust!!!

I don't care how smart you think you are

Or how much money is your pocket

Don't give a damn about your fancy car

In the afterlife it doesn't matter
